

PCRS Mentorship Membership – Offer Overview (2025)

At Person Centered Recovery Services (PCRS), our Mentorship Membership is designed for peer professionals, new recovery coaches, facilitators, and emerging leaders who want consistent, compassionate, and experienced guidance as they grow in the field.

Whether you're just stepping into recovery coaching or refining your private practice and leadership presence, this membership offers grounded, person-centered mentorship rooted in real-world practice.

Who This Is For

- Recovery coaches seeking confidence and skill refinement
- Peer professionals wanting ethical, aligned guidance
- Coaches launching or scaling their private practice
- Trainers and facilitators ready to grow in visibility and impact
